

To Know My Jesus Crucified

1. To know my Je - sus cru - ci - fied, by far ex - cels all things be - side;
2. Knowl - edge of all ter - res - tr'al things ne'er to my soul true pleas - ure brings,
3. O could I know and love him more, and all his won - drous grace ex - plore,
4. Lord, may I bear my ev' - ry loss; be pa - tient un - der ev' - ry cross;
5. Thus make me will - ing, glo - rious Lamb, to suf - fer all things for thy name;

all earth - ly good I count but loss, and tri - umph in my Sav - ior's cross.
no peace, but in the Son of God; no joy, but through his pard' - ning blood.
ne'er would I cov - et man's es - teem, but part with all, and fol - low him.
nev - er may I my Sav - ior blame, though I'm de - spised for his dear name.
at last be where my Je - sus is, and rise to ev - er - last - ing bliss.
